

MEMORANDUM FOR ALL STUDENTS

FROM: SAM/EAE (Ms Ferguson)

SUBJECT: Course/Classroom Schedule – [November](#)

Welcome to Brooks Air Force Base and the USAF School of Aerospace Medicine. The following is a list of courses commencing this month. The Aeromedical Apprentice, Flight Nurse, and Aeromedical Evacuation Technician students report not later than 0700 hours and all other students report not later than 0730 hours. All students are required to bring three (3) copies of their orders the first day of class. Active Duty Air Force students are also required to bring a readable copy of their travel itinerary to the first day of class. This document is needed to obligate TDY funds so you may collect your money upon return to your home station.

Effective 31 August 1999, Brooks has meals available at the Club Annex, Club 714. This is an alternate dining facility. This is stated in AFMAN 34-255 Directory of Government Quarters and Dining Facilities. Furthermore, members staying On-Base will receive funding to cover meals On-Base IAW the AFMAN, JFTR and the Per Diem Committee. Calculation of travel per diem rates within the Federal government is a shared responsibility of Department of State (DoS), the General Services Administration (GSA) and the DoD Per Diem, Travel and Transportation Allowance Committee (Per Diem Committee). Please report to the area designated for your course.
